Communities In Schools (CIS) of Chicago partners with 238 of the city’s public schools, linking students at these schools with a range of programs and resources that address their social, emotional, mental, and physical health needs. At 38 school partners, CIS places a full-time, master’s level Student Supports Manager who provides intensive one-on-one supports, such as goal-setting, supportive guidance, and counseling, to students who are off track academically and need extra help.

**School Partners by Chicago Community Area 2023-24**

Communities In Schools (CIS) of Chicago partners with 238 of the city’s public schools, linking students at these schools with a range of programs and resources that address their social, emotional, mental, and physical health needs. At 38 school partners, CIS places a full-time, master’s level Student Supports Manager who provides intensive one-on-one supports, such as goal-setting, supportive guidance, and counseling, to students who are off track academically and need extra help.
