

Supply Drive

Support Chicago's public-school students this year by donating school supplies!

Is your organization interested in supporting students on their path to success? Contribute to Communities In Schools (CIS) of Chicago's Supply Drive.

CIS of Chicago partners with 200 Chicago Public Schools across the city, and we know that the most requested items this school year include school supplies and hygiene items.

If your team is interested in participating in the Supply Drive:

Contact Mary Kate Paetow-Fanning at mkpaetow-fanning@cisofchicago.org

A full list of items can be provided upon request. *Please note: All donated items must be new.*
